Subject: Approval of Article 29 Leave With Pay of the 2014-2017 Collective Bargaining Agreement Between Miami-Dade County and the American Federation of State, County and Municipal Employees, Solid Waste Employees, Local 3292

Recommendation

It is recommended that the Board of County Commissioners (Board) approve and ratify the attached Article 29 Leave With Pay (Article) of the 2014-2017 Collective Bargaining Agreement (Agreement) between Miami-Dade County and the American Federation of State, County and Municipal Employees, Solid Waste Employees, Local 3292 (Union).

The County Mayor is further authorized to effectuate this Resolution by approving and filing this Resolution with the Clerk of the Board. This authorization is necessary to allow this Article to be in effect prior to the preparation of the FY 2016-17 proposed budgets.

Scope

The impact of this agenda item is countywide.

Fiscal Impact/Funding Source

As reported to the Board at the time the Paid Parental Leave policy was adopted, many employees currently take leave following a birth, adoption, or foster placement of a child. This leave is part of the historical leave usage that is taken into account as part of the annual budget development process. All County employees are budgeted for 2,080 hours for employees with a 40-hour work week and 2,496 hours for employees with a 48-hour work week. In other words, whether the employee works or utilizes accrued leave, the funding to pay that employee's annual salary is included in the budget. In addition, there are certain County operations, such as Transportation and Public Works, Police, Fire, and Public Health Trust services, that already budget a relief factor (additional positions which vary by service) to take into account both anticipated and unanticipated leave usage that occur during the year to ensure County services are not interrupted. In some instances, unanticipated leave may require backfill with overtime if the relief factor is not sufficient and work cannot be distributed amongst existing staff.

Without knowing if this policy will significantly change leave usage and ultimately the accumulation of leave prior to separation, it is unknown whether costs will increase in the fiscal period following implementation or even in the near future. Therefore, while allowing employees to benefit from paid parental leave may have a fiscal impact to the County, it is difficult to determine the extent of such impact at this time.

Track Record/Monitor

The Director of Labor Relations in the Human Resources Department, Tyrone W. Williams, monitors and oversees the administration of this collective bargaining agreement.

Background

On February 02, 2016, the Board adopted a "Paid Parental Leave" Ordinance granting six (6) weeks of partial paid leave for qualifying Miami-Dade County employees. The ordinance specifically requires that Paid Parental Leave be expressly contained within an employee's Collective Bargaining Agreement in order for the employee to receive the benefit. Miami-Dade County requested to reopen Article 29 Leave With Pay of the Collective Bargaining Agreement between Miami-Dade County and the American Federation of State, County and Municipal Employees, Solid Waste Employees, Local 3292 for the limited purpose of modifying Article 29 to include Paid Parental Leave in accordance with the Miami-Dade County Ordinance No. 16-20. The County and the Union held a negotiation session on March 1, 2016, whereby the County and the Union tentatively agreed to the County's proposed changes to Article 29 Leave With Pay. This Article was ratified by the Union membership on March 24, 2016.

Proposed Article for Ratification

Article 29 Leave With Pay

Leave with pay shall be authorized in accordance with the County Leave Manual for the following reasons:

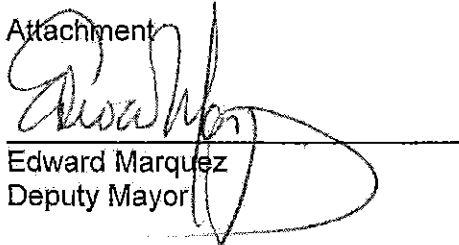

1. Four (4) employees will be permitted, when necessary, to participate in collective bargaining negotiations with the County. These employees shall be designated in writing to the Department Director and the Director of Labor Relations for the County. The employees shall give reasonable notice to their supervisors.
2. The Union President and Vice President will be released from duty with pay to administer this Agreement. Additionally, the County will authorize up to 2500 hours for each year of the Agreement, time off with pay for union representatives to participate in union approved activities providing that the Union President requests the leave in writing to the Director of Labor Relations no less than one (1) week in advance of the scheduled time off. The hours allocated per year shall not be cumulative. These authorized hours are inclusive of the hours granted in Article 13 Union Stewards and number 3 of this article.
3. Employees designated by the Union to attend Union functions. The Union shall request approval from the appropriate supervisor at least 48 hours in advance of the leave. The total amount of time granted to all employees cumulative seeking leave under this provision shall not exceed 2500 hours for each year of the Agreement. The hours allocated per year shall not be cumulative. These authorized hours are inclusive of the hours granted in Article 13 Union Stewards and number 2 of this article.
4. In addition to the standard forty-hour work week, the Union President, Vice President, and any employee released from duty for a minimum of 40 hours per work week, shall receive one (1) hour of daily overtime pay. In addition, hours worked by employees who have been authorized to be released from duty to administer this agreement ("Y" time) shall be considered hours worked and included in the overtime calculation.
5. Administrative Leave shall be granted to employees to take County Civil Service exams or to appear for job interviews with Miami-Dade County.
6. The Union President, Vice-President and any additional employee released from duty full-time with pay to administer this Agreement shall receive while on such release, performance evaluations containing no more than an overall rating, which rating shall reflect the average of the three overall evaluation ratings received prior to serving in such capacity.

7. Employees released from duty with pay under this provision shall be exempted from layoff bumping while released.
8. Paid Parental Leave shall be authorized in accordance with Miami-Dade Ordinance No. 16-20 to care for a newborn, newly-adopted child, or newly-placed foster child or children. Eligible employees will be provided up to six (6) weeks of paid leave at 100 percent of base wages for the first two (2) weeks, 75 percent of base wages for the following two (2) weeks, and 50 percent of base wages for the remaining two (2) weeks. This provision is subject to any modifications or revocations by the Board of County Commissioners to Ordinance 16-20, in accordance with Article X of Chapter 11A.

Waiver of Signed Contract Requirement of Resolution R-130-06

The requirements of Resolution R-130-06, that any contract between the County and third parties be executed and finalized prior to their placement on a committee agenda, may be waived by the Board of County Commissioners upon recommendation by the County Mayor. The Mayor recommends that these requirements be waived for this Article because, under state law, a collective bargaining agreement is not binding on the public employer until it is ratified by the legislative body of the public employer and the bargaining unit. The bargaining unit has already ratified this Article of the Agreement. The Board's ratification is needed for this amendment to the Agreement to be binding. Since this Article will be not binding until it is ratified by the Board, this Article will be executed by the parties, subsequent to the Board's approval. Therefore, it is in the best interest of the County to waive the requirements of R-130-06.
